Dear Nello

I am just writing to say thank you to you and your staff for your help on our wedding day. Yourself and your team really are wonderful. My hair was my main concern but after meeting with you the day before the wedding you put my right at ease! My hair on the day was exactly as I had wanted it.. And the bridesmaids hairs were just amazing!! They loved it! We cannot thank you enough.

The guests also loved their hair and commented also on your staffs friendly approach. You did another ladies hair and she also commented on your "touch" saying how gentle you were and she said it didn't even feel like you were doing her hair!! :) I have to agree on this! Such a perfectionist.

We wish you and your staff all the best for the future

Many thanks

Danielle Fitzpatrick
