

Dear Nello

Many apologies for not writing sooner.

I just wanted to thank you so very much for the great job you and your colleague did styling my hair and that of our guests at our wedding in April. You were so helpful, patience and obliging.

I was so pleased with how my hair looked on the day as were the guests who used you. I have attached a few photos for you where the hair plays a central role!

I have a couple of suggestions which perhaps could have made it even better, though I was really pleased with how everything went.

Firstly, it would have been nice to have had mirrors so that we could see our hair as it was being styled. Secondly, it would have been helpful if there was an English translator around when the hair was being prepared - I mentioned this to Marco also. Thirdly, I would say that it would be helpful to have a few more photos on the website of recent brides as, if I am being totally honest, the pictures on the site are looking a bit dated and I was a little concerned - prior to meeting you, of course!!!

Many thanks again.

With very best wishes

Juliette
