San Crispolto 17/09/2015

Hi Nello

I just wanted to reply to say how happy I was with your service on the day of our wedding and please feel free to use the coments below as my testimonial.

I went for the Gold package and had a lot of ladies for Nello and Dandy to deal with as there were 9 of us on the day getting our hair done at Villa San Crispolto!

I was worried about this initially as that is a lot of people to get through but I shouldn't have worried as the service was perfect.

The girls choose pictures of the style they wanted and Nello and Sandy copied the styles perfectly.

All of the girls were delighted with their hair and actually said that it was the best wedding hair they had ever had.

I can not thank Nello and Sandy enough for their expertise.

Many thanks

Lisa
