

Dear Nello,

Thank you for your e-mail, I will be sending Marco an e-mail shortly to thank him and express how excellent all of his suppliers were. This of course includes your services, which were amazing. Nello was asked to do two quite complicated styles for myself and my bridesmaid, without a trial and with only a photograph as a guide and he copied them exactly (even better than our regular stylist). We were so pleased and all wanted to bring him home with us, he put us at ease and made all of the guests feel and look beautiful. Everyone both at the wedding and people who have seen photographs on our return home, have commented on the hair and said how fantastic the hairdresser must have been.

All that's left to say, is a huge Thankyou for being part of our wonderful day and if any future bride should read this, feeling apprehensive, don't these guys are truly professional and will make you feel and look like a true princess.

Many Thanks,
Rachael Gardner and Guests
