

Sophie wedding Bucine (Ar) Villa Cornacchi

Maggio 2014

Dear Nello and Sandy,

Sorry for my delayed response. We have been so busy since coming back to work!

Thank you so much for your fantastic service on our wedding day. Both you and Sandy were true perfectionists and wonderful to have around. You were kind and friendly and it was a pleasure to spend a morning with you. We had an amazing day and everybody commented that my hair looked wonderful, and all of my bridesmaids looked so beautiful. Thank you, thank you, thank you!

Please feel free to quote my review on your website. I would definitely recommend you to any bride!

Thank you again for everything!
