

Hi Nello,

It's been 2 weeks since my wedding at Villa San Crispolto and I wanted to thank you and Sarah once again for your help in making this day special for us.

I had a look at the pictures and I really loved the hair and makeup both of you made for me and my bridesmaids. We all looked lovely (how modest I am!).

I will definitely recommend you to the future bridesmaids who will be getting married at VSC and VB.

All the best to you, Sarah and her baby!

Grazie mille
Anna
