Brenda Sheahan - Andrew Young

Hi Nello,

I just want to say a massive thank you to you and the team for doing my hair for my wedding. My guests were more than impressed by you .

I loved my hair and it was just what I wanted for my big day. If you ever need a reference or if a potential bride would like to speak to someone for advice please give them my number...

**Many many many thanks and I hope you have a very busy summer .
Please let me know if you would like some pictures sent over**
