

Nello & Sandy,

Thank you so much for your help in bringing our wedding day together. All the girls were delighted with their hair, but I was particularly happy with my own upstyle (thank you Sandy!) as I am not a fan of wearing my hair up, but it was so soft and natural looking, I was happy all day – no pain from pins or anything!

I am already recommending you to other Marco brides that I am in contact with, so I have no doubt you will be kept very busy with weddings in the future.

Thank you for emailing me, it was so nice of you.

Emma
