**Hi Nello,**

**I am so sorry for my slow reply. We have not long been home from our honeymoon.**

**Thank you so much for everything you did for us on our wedding day. I know that we had so many last minute additions and changes to our numbers but you were all so great, it took a lot of stress off me for the day.**

**I was so incredibly happy with how my hair and make up, and my bridesmaids looked, there is nothing I would have changed. I also know that all of our guests really loved their hair and make up as well. I really can't thank you enough.**

**Now that I am home, I will definitely start all of the reviews on Marco's website and I will give you a rave review because we were so happy.**

**Thank you again,**

**Louise**
